Form N-6

SEC File No. 270-446

OMB Control No. 3235-0503

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is “Form N-6 (17 CFR 239.17c and 274.11d) under the Securities Act of 1933 (15 U.S.C. 77a et seq.) and under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.) registration statement of separate accounts organized as unit investment trusts that offer variable life insurance policies.” Form N-6 is the form used by insurance company separate accounts organized as unit investment trusts that offer variable life insurance contracts to register as investment companies under the Investment Company Act of 1940 and/or to register their securities under the Securities Act of 1933. The primary purpose of the registration process is to provide disclosure of financial and other information to investors and potential investors for the purpose of evaluating an investment in a security. Form N-6 also requires separate accounts organized as unit investment trusts that offer variable life insurance policies to provide investors with a prospectus and a statement of additional information (“SAI”)

covering essential information about the separate account when it makes an initial or additional offering of its securities.

The Commission estimates that approximately 436 registration statements (429 post-effective amendments plus 7 initial registration statements) are filed on Form N-6 annually. The estimated hour burden per portfolio for preparing and filing an initial registration statement on Form N-6 is 770.25 hours. The estimated annual hour burden for preparing and filing initial registration statements is 5,391.75 hours (7 initial registration statements annually times 770.25 hours per registration statement). The Commission estimates that the hour burden for preparing and filing a post-effective amendment on Form N-6 is 67.5 hours. The total annual hour burden for preparing and filing post-effective amendments is 28,957.5 hours (429 post-effective amendments annually times 67.5 hours per amendment). The frequency of response is annual. The total annual hour burden for Form N-6, therefore, is estimated to be 34,349.25 hours (5,391.75 hours for initial registration statements plus 28,957.5 hours for post-effective amendments).

The Commission estimates that the cost burden for preparing an initial Form N-6 filing is \$23,440 per portfolio and the current cost burden for preparing a post-effective amendment to a previously effective registration statement is \$8,523 per portfolio. The Commission estimates that, on an annual basis, 7 portfolios will be referenced in an initial Form N-6 and 429 portfolios will be referenced in a post-effective amendment of Form N-6. Thus, the total cost burden allocated to Form N-6 would be \$3,820,447.

The information collection requirements imposed by Form N-6 are mandatory. Responses to the collection of information will not be kept confidential. Estimates of average

burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.
